**Objective:**

The main objective of the “field survey I” is to visit and survey Libraries & Information centers i to understand their facets/activities thoroughly in a systematic way. This will prove useful to the student in applying experience acquired during the session to practical and emerging problems in the field in future.

**Method of Instruction**

The students will be divided into groups(minimum: 5 each under a supervisor) who will coordinate and initiate their activities in visiting Libraries and information centers (School/College/ universities/ public etc) and get first-hand knowledge of their working from time to time and later concentrate on one or more activity(s) (depending upon scope of the activity) and submit a report of the Job analysis , strengths and weaknesses.The marks/grades will be given on attendance and evaluation of the report by the Department committee to be framed for the purpose.

**Suggested Readings:**

*The guide will provide the suitable list of readings and resources relevant to the problem.*
